ABSTRACT TABULAR STATEMENT, PART B,

OF

PROCEEDINGS OF THE GENERAL AND REVENUE DEPARTMENT FOR OCTOBER 1904.

MATTERS OF ROUTINE.

POLICE.

Serial No. of File	Number and date of letter and contents.	References.
	FILE No. 124 of 1903-04.	
	Patronage of Superintendents and Assistant Superintendents of Police in respect of appointments, etc., in the clerical establishments directly subordinate to them.	
1	From the Inspector General of Police in Mysore, No. 5498, dated 7th March 1904. Requests that Superintendents and Assistant Superintendents of Police may be empowered to nominate and promote hands up to Rs. 25 in the clerical establishments directly subordinate to them, subject to the confirmation of the Deputy Commissioner.	
2	To the Deputy Commissioners of Districts, No. 2603-10, dated 1st June 1904. Forwards a copy of Serial No. 1 for favor of their views on the recommendation of the Inspector General.	
3	From the Deputy Commissioner, Kolar, No. 1822, dated 4th June 1904. States that though the recommendation made by the Inspector General may be right in principle, in practice it will be attended with some inconvenience as under the existing arrangement the Police office being only a part and parcel of the Deputy Commissioner's office, the officials working in the Police section could be transferred to any other section on promotion on the occurrence of a vacancy.	
4	From the Deputy Commissioner, Shimoga District, No. 700, dated 6th June 1904. Concurs with the Inspector General of Police in the matter.	
5	From the Deputy Commissioner, Chitaldrug District. States that it is but fair that Superintendents and Assistant Superintendents should, like Assistant Commissioners, have the power to nominate and promote hands up to Rs. 25 in the clerical establishments directly subordinate to them, subject to the approval of the Deputy Commissioner.	
6	From the Deputy Commissioner, Tumkur District, No. 634, dated 10th June 1904. Accords his unqualified approval to the Inspector General's proposal made in Serial No. 1 above.	
7	From the Deputy Commissioner, Kadur District, No. 8, dated 6th July 1904. States that the District Police office is, unlike the Assistant Commissioner's office, but a portion of the Deputy Commissioner's office, and as such it is not advisable to deprive the Deputy Commissioner of his power to make appointments, etc, in his own office.	
8	From the Deputy Commissioner, Mysore District. Expresses his opinion that Superintendents and Assistant Superintendents of Police cannot be empowered to nominate or promote hands up to Rs. 25 independently in the clerical establishments, and that the memo of the powers of these officers attached to Government Order No. 450-60 of 1st November 1891, seems to meet the requirements of the case amply.	

Serial No. of File.	Number and date of letter and contents.	References.
9	From the Deputy Commissioner, Hassan District, No. 45, dated 26th July 1904. States that there are only two posts whose appointments could rest with the Superintendent or Assistant Superintendent and that therefore the powers (if given) would be nominal, and that for reason stated, the powers of nomination could not rest entirely with the Police Superintendents and Assistant Superintendents although their wishes would to a great extent consulted prior to effecting the necessary transfer of hands from one Department of the Deputy Commissioner's office to another.	
10	From the Deputy Commissioner, Bangalore District, No. 96, dated 3rd August 1904. States that even at present the appointments and promotions up to Rs. 25 are made by the Police Superintendents and Assistant Superintendents and the Deputy Commissioner confirms them, and whenever the latter himself appoints or promotes he does so in consultation with the former, and cases where Deputy Commissioners make the appointments independently are only exceptions.	
11	To the Inspector General of Police, the Revenue Commissioner, the Deputy Commissioners of Districts and Comptroller, Government Proceedings No. 920-30, dated 14th August 1904. Approve of the proposals made in Serial No. 1, and direct that Police Superintendents and Assistant Superintendents as well as Treasury Assistant Commissioners may, subject to the approval of the Deputy Commissioner concerned, appoint, suspend, fine or remove officials of the clerical establishment directly subordinate to them whose salary does not exceed Rs. 25 per mensem.	
	FILE No. 142 of 1904-05. *Failure of the Police in detecting a case of theft that occurred in the house of one Nanjundaiya of Nagamangala.*	
1	From the Private Secretary to His Highness the Maharaja of Mysore, No. 1728, dated the 23rd March 1904. Forwards for disposal a petition addressed to His Highness the Maharaja by one Nanjundaiya, praying for a strict enquiry in the case of a certain theft in his house at Nagamangala, which theft the Police failed to detect. [With an enclosure, one petition.]	
2	To the Inspector General of Police in Mysore, No. J. 1672, dated the 21st April 1904. Forwards the enclosure (petition) received with Serial No. 1 above, for a full report of the facts of the case and on the points urged in the petition.	
3	From the Inspector General of Police in Mysore, No. 726-69, dated the 8th August 1904. Submits a report on the investigation by Mr. Haudin, Superintendent of Police, of the case of the theft complained of in Serial No. 1, condemns the action of the Superintendent in giving a copy of his diary to a private person, and observes that the explanation of the Superintendent is most unsatisfactory.	
4	Government Proceedings No. O, Camp Mysore, dated the 26th October 1904. Directs that Mr. Haudin be retired from service forthwith. (*vide* Serial No. 2 of Police File No. 13 of 1904-05.)	
	FILE No. 13 of 1904-05. *Irregular conduct of Mr. C. Haudin, Superintendent of Police, in connection with two criminal cases.*	
1	From the Inspector General of Police in Mysore, No. 159—11, dated the 9th July 1904. Forwards for the information of Government the records in criminal appeal Nos. 90 and 95 on the file of the Chief Court, in which the conduct of Mr. C. Haudin, Superintendent of Police, in the investigation of the cases in question has been noticed, with Mr. Haudin's explanations and his own remarks thereon. (Enclosures three and 2 files of records.)	
2	Government Proceedings No. O, Camp Mysore, dated the 26th October 1904. To the Inspector General of Police in Mysore, the Comptroller to Government, the Survey and Settlement Commissioner, the Revenue Commissioner in Mysore, the Registrar, Chief Court of Mysore, the Deputy Commissioner, Tumkur District. Condemns the irregular and high handed procedure of Mr. Haudin and his glaring disregard of the standing orders brought to notice in the papers referred to above and directs his immediate retirement from service on such pension as he may be entitled to. Also observes the neglect on the part of Mr. K. G. Shamanna, the then Amildar of the Bangalore Taluk, to take action in the Kengeri case, and directs that a warning be administered to him as he has been already punished in another case.	40-1903 to 21 I. F. J.

1	From the First Assistant to the Hon'ble the Resident in Mysore, letter No. 3941, dated the 13th August 1904. Forwards a roll of life convict K. Sidda of the Mysore State, who was convicted of dacoity with murder and whose release has been recommended by the Superintendent of Port Blair and requests to be furnished with a report as to whether the convict in question belonged to any professional gang or was known to be a hereditary dacoit, whether any members of his family are living and if so, how they are employed and whether release can safely be granted conditionally on Police surveillance in a selected place. (Enclosure 1.)	
2	To the Inspector General of Police in Mysore, docket No. J. 411—P. 45-2, dated the 16th August 1904. Forwards the descriptive roll received with the above and calls for information on the points noted. (Enclosure 1.)

Furnishes the required information regarding life convict Sidda and recommends his release on condition that he resides at Kerehindalpalya, Kunigal Taluk, under Police surveillance. [With an enclosure, the descriptive roll received with Serial No. 1.]	
	FILE No. 51 of 1904-05.	
	Leave to Mr. C. Haudin, Superintendent of Police, Tumkur District.

ABSTRACT TABULAR STATEMENT, PART B,

OF

PROCEEDINGS OF THE GENERAL AND REVENUE DEPARTMENT FOR OCTOBER 1904.

MATTERS OF ROUTINE.

MUNICIPAL

Serial No. of File.	Number and date of letter and contents.	References.
	FILE No. 105 of 1895-96.	
	Insurance of officials in the Health, Registration and Hospital establishments of the Mysore City as well as of Bangalore City.	
1	From the Comptroller in Mysore, No. 1016—L. F., dated 24th February 1904. Enquires whether the Health office establishment, the Registrars and their establishments and the establishments attached to the Epidemic Diseases Hospital (Plague Camp) may be considered as members of the permanent establishment permitted to insure their lives under the State Insurance Rules.	(1) Pro. No. 912-22—Pg., dated 29th January 1901. (2) Do No. 1129-13, dated 19th April 1900. (3) Do No. 4024-30—50, dated 14th September 1900.
2	To the President of the Mysore City Municipality, No. 3874—105-95, dated 8th April 1904. Observes that the establishment referred to was ordered in Proceedings No. 919—2 , dated 29th January 1901, as permanent only so far as plague was considered, that all these men cannot be regarded as permanent employees either of Government or of the Municipality and allowed to insure their lives under the State Insurance Rules, and that as Erangere Plague Hospital cannot be said to be a permanent institution and the establishment of the Sub-Registrars is only maintained in lieu of Plague Supervisors and the Health office has been recently abolished, the only officials entitled to the benefit of the Insurance Rules seem to be those that were borne on the permanent establishment of the Municipality, prior to the date of the order of the 29th January 1901 and now attached to the Registration and the Plague Hospital establishments and requests the President to submit a list of such officials as are above referred to and favor Government with his opinion and that of the Board on the proposal made by the Comptroller.	
3	From the President, Municipal Commission, No. 169, dated 10th May 1904. Submits copy of the resolution of the Board, dated 30th April 1904, stating that as the Plague establishment forms part and parcel of the Health Department, which is recognized by Government as a permanent Department, the officials working in the Department be allowed to insure their lives as is the case of similar officials in the Bangalore City Municipality.	
4	From the General and Revenue Secretary, to the President, Mysore City Municipal Commission, No. 4476—L. F 105-95, dated 18th May 1904. Requests the submission of the President's opinion and the list of officials called for in Serial No. 2.	
5	To the President, Bangalore City Municipal Commission, No. 4892—L. F. 105-95, dated 16th June 1904. Forwards copy of an extract from the Mysore City Municipal Board's Proceedings, dated 30th April 1904, in regard to the eligibility of the officials of the Health Department to insure their lives under the Insurance Rules and enquires whether any of the officials of the Health and Registration Departments of the Bangalore City have been permitted to insure their lives and, if so, on what authority.	
6	From the President, Mysore City Municipal Commission, No. 181, dated 4th June 1904. States that he concurs with the Board in their recommendation contained in Serial No. 3, and forwards the list called for in Serial Nos. 2 and 4.	

Serial No. of File.	Number and date of letter and contents.	References.
7	From the President, Municipal Commission, Bangalore City, No. 321, dated 29th June 1904. States that such of the officials of the Health and Registration Departments as were eligible are reported to have been permitted to insure their lives under the authority of General Proceedings No. Pg. 1291-3, dated 19th April 1900, conveying orders for the organization of the Health and Registration offices.	
8	To the President, Mysore City Municipal Commission, No. 227—L. F. 105-95, dated 13th July 1904. Requests him to report whether there are Registrars for the Mysore City in addition to the Sub-Registrars of Births and Deaths, and whether they are given allowances either from Municipal or Plague Funds.	
9	From the President, Municipal Commission, Mysore City, No. 25, dated 14th July 1904. Reports that the Medical Officers of the three Municipal dispensaries in the City are Registrars, and in addition to them, just now there are two more Hospital Assistants who are liable to be transferred to the Local Fund dispensaries, that their pay is met from the Provincial Medical budget, and that no allowance of any sort is given to any of these Registrars for Plague duty, charge allowance being given to the Medical officers in charge of Municipal dispensaries; and submits the names of the Registrars with their pay.	
10	To the Comptroller in Mysore, No. 795—L. F. 105-95, dated 30th July 1904. Requests the submission of a detailed list of officials of the Health, Registration and Hospital establishments of the Bangalore City, who have been permitted to insure their lives and to cite the authority for the same.	
11	From the Comptroller in Mysore, No. 247—L. F., dated 26th August 1904. Submits a list of officials of Health, Registration and Hospital establishments of the Bangalore City, and states that these insured their lives under Government Order No. Pg. 1291-3, dated 19th April 1900.	
12	From the Secretary, General and Revenue Department, No. 2874-77—L. F. 105-95, dated 3rd October 1904. Observes that it was never intended that the Health and Registration establishments or those attached to the Epidemic Diseases Hospital should always be maintained on such a large scale as at present or that they should be eligible for pension or insurance, but as the Government in sanctioning the Bangalore City Municipal budget for 1900-01 declared in para 10 of Proceedings No. 4024-30—50-99, dated 14th September 1900, the establishments in question as permanent, it is too late now to revoke the arrangement, under which the officials were allowed to insure their lives, and directs that future appointments in the Health Department and in the Epidemic Diseases Hospital should not be considered permanent except in certain cases now specified and that the existing vacancies should be filled up temporarily and also declares as regards Mysore City, where there is no permanent Health Officer and where the services of the two clerks and seven Sub-Registrars and the menial establishment of seven peons are always required for the Registration of Births and Deaths, that their appointments in the Mysore City Municipality are permanent, and that such of these officials as are eligible for insurance be permitted to insure their lives with the remark that the Erangere Plague Hospital not being a permanent institution, the establishment thereof cannot be treated as permanent. To the President, Mysore City Municipal Commission. " Bangalore City " " Comptroller and Secretary to the State Life Insurance Committee.	

FILE No. Ml. 37 of 1904-05.

Road Repairs Establishment of the Bangalore City Municipality.

1	From the Comptroller, No. 50, dated 11th July 1904. Requests that orders may be issued to the President, directing him to confine payments to the scale of establishment sanctioned by Government.	
2	To the President, Bangalore City, No. 646, dated 26th July 1904. Requests the submission of statement showing the details of establishment employed during 1903-04, and to state whether the Engine Driver is employed throughout the year and, if so, how.	
3	From the President, Bangalore City, No. 82, dated 16th August 1904. Submits the statement called for in Serial No. 2 and states that the Engine Driver is employed throughout the year, his services being utilised as a Sub-Overseer on the days he has no work on the roller.	

G. P. No. 2167-8—L. F. 194-04, dated 8th December 1903.

Serial No. of File.	Number and date of letter and contents.	References.
4	From the Secretary, General and Revenue Department, No. 1945, dated 5th September 1904. Observes that it is against Codal Rules to incur expenditure in excess of the sanctioned scale and requests the President to state what may be fixed as a minimum charge on account of this establishment and how much should be provided as a lump sum grant to meet the exigencies.

Proceedings of the Government of His Highness the Maharaja of Mysore, Muzrai, dated 17th October 1904.

READ—

Petition No. 583, dated 10th September 1903, from Tigalar Munisami Gowda, Pujari of the Mutyalamma temple at Hoskote, appealing against the order of the Deputy Commissioner of the Bangalore District directing the discontinuance of the usual fee levied from devotees resorting to the temple for worship.

Letter No. 633, dated 6th February 1904, from the Deputy Commissioner, Bangalore District, reporting on the above.

ALSO—

Letter No. 3, dated 3rd August 1904, from the same officer reporting on the rates of Kanikes levied in the Dharmaraya Swami temple in Bangalore City.

No. 1438-45—MUZ. FILE No. 63-01, DATED BANGALORE, 17TH OCTOBER 1904.

ORDER THEREON.—The Mutyalamma temple in the Tigalarpet at Hoskote is a Muzrai institution endowed with an Inam land measuring 18 guntas as per margin.

Hoskote Taluk, Amani Doddakere village, Wet 16l, 18 guntas, Rs. 3.8-0.

(2) On the 15th February 1903, one Yajaman Munisamappa and another presented a miscellaneous petition to the Deputy Commissioner of the Bangalore District complaining that the Pujari of the temple declined to perform Puja in the temple unless the devotees paid a Kanike for the purpose and thereupon, Mr. H. H. Sparkes (Deputy Commissioner) decided that as the temple was a Muzrai institution no such fees were legitimate and he directed the Pujari to desist from demanding such fees. Pujari Munisami Gowda has appealed to Government against the foregoing order of the Deputy Commissioner.

(3) From the records it is observed that the temple in question has all along been under the management of the Tiglars of Hoskote and the expenses required for the repairs and maintenance including worship therein as also the large amounts required for celebrating the Karaga and other Utsavams are being met from the collections made in the shape of Kanikes, which according to custom every Tigalar gives whenever any offerings are made to the temple and whenever there are marriages and other occasions in his house. Yejaman Munisamappa himself who complained to the Deputy Commissioner, deposed before the Amildar in the year 1892 that it was customary to levy Kanikes whenever offerings were made to the deity. He began to protest against making such payments ever since the Tigalar community split itself up into two factions, and the Deputy Commissioner's order now appealed against was passed on his motion. The Amildar reports that every Tigala, when he brings plantains and cocoanuts to offer to the deity, is bound to pay a customary Kanike and that such Kanikes are duly brought into account and expended on Karaga and other occasions with the consent of the community. He also reports that only members of the Tigalar community are bound by custom to pay this fee, that others are allowed to make offerings without payment of any fee, and that leaving out the very few (complainants) all the Tigalars at Hoskote have been paying the Kanike as per mamul. It has also been ascertained that similar Kanikes are levied from the devotees of the Dharmaraya Swamy temple in the Bangalore City.

(4) Under the foregoing circumstances, the Government are pleased to set aside the Deputy Commissioner's (Mr. Sparke's) order dated the 23rd April 1903, and to direct the collection of the Kanikes as per mamul.

(5) A scale of establishment for the temple should be fixed and all offerings from Kanikes and other sources should be credited to the temple accounts. Dharmadarsis should be appointed with freedom of action in such matters and they should be responsible for the accounts relating to the Kanikes, etc. Half-yearly or yearly reports and accounts should be prescribed for submission to the local authorities. The Deputy Commissioner is requested to submit proposals on these points at an early date.

Docket No. 19, dated 16th October 1904, from the President of the Managing Committee of H. H. the Maharaja's Sanskrit College, Mysore, submitting the resolutions of the Committee held on the 15th October 1904, relative to the results of the Vidwat Examinations held this year.

No. 1509-10—MUZ. F. No. 25-92, DATED CAMP MYSORE, 31ST OCTOBER 1904.

ORDER THEREON.—It is observed that out of the 30 candidates who applied for the Vidwat Examination in its various branches this year, two absented themselves from the examination, 7 failed and 21 passed.

2. Two Pandits from Behar named Santulal Jha and Rameswara Jha appeared for examination in Tarka, and another from Benares, named Ganesa Sastry, came up for examination in Mimamsa and Adwaita Vedanta. As the above named Pandits had not studied the Text Books prescribed in Mysore for the Vidwat Examination, their knowledge in their respective subjects was tested by a special oral examination, and by this means, their attainments were found equal to the standard prescribed for the Mysore Vidwat Examination. The Committee therefore have recommended a reward of Rs. 100 to Pandit Santulal Jha, and of Rs. 75 to each of the other two Pandits. This recommendation on behalf of the Pandits in question, as also the rewards to the other successful candidates as recommended by the Committee, are sanctioned. The accompanying list shows the value of the presents to be given in each case, which amount in cost to Rs. 1,840.

3. Regarding the Committee's recommendation to grant special rewards to certain Pandits named in their communication, Government are of opinion that such rewards should not be made a matter of common usage every year, that the searching test of the prescribed examinations should not be departed from except in very rare instances, and that the honor of a special reward should be conferred only upon grounds of exceptionally high merit. The rewards now recommended are therefore not sanctioned.

4	**From the Conservator of Forests, No. 2523, dated 28th September 1904.** Submits a copy of license rates applicable to District Forests in the Hassan District and states that there are hardly any forests except the Hirikalgudda State Forest, worthy of the name in the Arsikere Taluk, that he hardly thinks that the denudation of patches of Village or District Forests can be rightly ascribed to the abuse of privileges by villages, that he is of opinion that even if materials are made available to the villagers in State Forests it is doubtful whether any large number of them would care to pay for what they want and that efforts are being made to give wide publicity to the fact of the materials being available in State Forests on licenses.	
5	**To the Conservator of Forests and Deputy Commissioner, Hassan District, No. R. 3477-8, dated 15th October 1904.** Sanctions the grant of wood at privileged rates to raiyats as a concession, from the Hirikalgudda State Forest for making agricultural implements.

Proceedings of the Government of His Highness the Maharaja of Mysore, Revenue, dated 21st October 1904.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 22 of 1904-05.

Appellant		Respondent
Gangakka of Kodihalli village, Mulbagal Taluk.	*Versus*	Timmakka

Subject.

Appeal against the order of the Deputy Commissioner of the Kolar District, directing the registry of certain lands (which stood in the name of one Venkataramareddi) in the name of the respondent, the second daughter of the deceased pattadar, in preference to that of the appellant the eldest daughter.

The facts of the case appear sufficiently from the following :—

Decision.

The registered occupant having died leaving three daughters, the Deputy Commissioner ordered the name of his second daughter to be registered in his stead, the reason for preferring her to the eldest daughter being that she had a son and had with her husband been from the beginning living with the deceased and managing his estate. The reason thus put forward is not denied by the eldest daughter the appellant. This is not a case for Government interference. The Deputy Commissioner having made his order under Section 68 of the Revenue Regulation and that order not being on the face of it erroneous, it is open to the appellant to take the action indicated by Section 69 of the Regulation. The appeal is rejected.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 2 of 1904-05.

Appellant	*Versus*	Respondent
Narasimhappa.		Krishnappa.

Subject.

Appeal against the order of the Deputy Commissioner of the Kolar District rejecting the appellant's claim to be appointed as shanbhog of the Chandanadur village in the Goribidnur Taluk.

Facts of the Case.

One Narasappa who was the original registered shanbhog of the village in question died leaving five sons, of whom Narasingappa, father of the appellant, was the eldest, and the respondent the second son. In accordance with the consent of the eldest son given in 1878, the respondent was appointed as shanbhog in the year 1880 and he has been looking after the duties ever since. In 1903 the appellant claimed to be appointed as shanbhog on the ground that he is a member of the senior branch of the family. Both the Sub-Division Officer and the Deputy Commissioner rejected the claim on the ground that the respondent was appointed so far back as 1880 at the request of the appellant's father. Hence the present appeal to Government.

Decision.

On the death of Narasappa, the office should, in the natural course, have been given to his eldest son Narasingappa. At the latter's request and with his consent, however, his younger brother, the respondent, was appointed in succession to Narasappa. This consent did not amount to an absolute and permanent alienation of the office from the elder to the younger branch of the family, more especially since according to Krishnappa's own admission now made before Government, the brothers were then living together as members of an undivided Hindu family. Government do not however, consider that the respondent who was appointed so far back as 24 years ago and who has since been in possession should in fairness to him be deprived of possession during his life-time. In the result, therefore, Government hold that this appeal which aims at the recovery of immediate possession is not entitled to prevail. The appeal is accordingly rejected.

Appellants	*Versus*	Respondent
Haligegowda Devaraj Urs Nanjunda Naik Mallegowda and other villagers of Mallapur.		K. Narasimmiah.

Subject.

Appeal against the order of the Deputy Commissioner of the Mysore District, declining to set aside the sale to the respondent of Survey Nos. 10 and 12 of the Mallapur village in the Nanjangud Taluk, held on darkhast.

The facts of the case appear sufficiently from the following.

Decision.

The lands in question are not gomal or free grazing lands. On one occasion a certain application for the same for cultivation was rejected on the ground that they were required for excise purposes as a date reserve. On receipt of a second darkhast an inquiry and local inspection were made with the result that the lands were by their nature found unfit for reservation as a date grove. After duly observing the prescribed formalities, the Amildar sold the lands, the highest bidder thereat being the respondent. Owing to a combination among the villagers none of them came forward to bid at the sale. The subsequent objections and offers made by some of them were rightly rejected and the sale to the respondent was duly confirmed. The petitioners have made out no case for Government interference. The appeal is accordingly rejected.

Referred Case No. 1 of 1904-05.

Appellant	*Versus*	Respondent
Chik Tibbe Gowda of Rajagere village, Kunigal Taluk.		Dyava, son of Dod Tibbe Gowda.

Subject.

Appeal against the order of the Deputy Commissioner of the Tumkur District declining to allow the patta of certain lands in the village of Rajagere, in the Kunigal Taluk, to be made in the joint names of the appellant and the respondent.

Facts of the case.

Dodda Chikke Gowda, the original holder of the lands in question, had three sons (1) Dod Tibbe Gowda (father of the respondent), (2) Mugure Gowda and (3) the appellant. During his life-time the patta was made out in the name of his eldest son Dodda Tibbe Gowda. On the latter's death the other two sons of the original holder as well as the respondent claimed the patta in their respective names and the then Deputy Commissioner directed in 1887 the transfer of patta to the name of the respondent. On the death of Mugure Gowda about the year 1901, the appellant prayed for the registry of his name and for being allowed to pay two-thirds of the entire kandayam himself alleging that the deceased Mugure Gowda was living with him and that his share of the kandayam also was being paid by the appellant. The respondent on the other hand contended that he was entitled to a half share of the deceased. The Assistant Commissioner in January 1903 allowed the appellant's prayer about the payment of kandayam and directed the registry of his name as co-occupant, but the Deputy Commissioner on appeal set aside the said order. Hence the present appeal to Government.

Decision.

The appellant has no case at all. The lands in question stand registered in the respondent's name. The appellant asked that his name be entered as a co-occupant. This application is not warranted by law and was rightly rejected by the Deputy Commissioner. Government see no reason to interfere. The appeal is dismissed.

Appeal No. 7 of 1904-05.

Appellant	*Versus*	Respondent
Venkataramaiya		Puttamma *alias* Lakshamma.

Subject.

Appeal against the order of the Deputy Commissioner of the Mysore District, dismissing the claim of the appellant to the shanbhogi office of one of the two circles of Mandakalli and Kuppalur, Mysore Taluk.

The facts of the case appear sufficiently from the following:—

Decision.

Venkataramanaiya, the registered shanbhog of Mandakalli firka, was dismissed in 1898 on account of incompetency and certain irregularities which he committed in connection with the discharge of his duties, but before he was relieved of his charge he was prosecuted and convicted for criminal breach of trust. Subsequently he is reported to have died. In succession to him the respondent's (his widow) name was registered for the office. Though no express order on the latter point is forthcoming in the file, her appointment was recognised by the local authorities and two gumastas in her brothers were appointed to look after the work of the two firkas, *viz.*, Mandakalli and Kuppalur, into which the original Mandakalli circle was split up during the Potgi Settlement. Appellant is the paternal uncle of the deceased baravarddar and has been acting as gumasta off and on during the minority of his late nephew. He now claims the office as being the nearest surviving male member of the family and also on the ground that the deceased's family has forfeited the hak to the office on account of his conviction for criminal breach of trust. In the view that the offence committed by the deceased is not of a serious nature though technically called criminal breach of trust and that it occurred in a firka other than the one in which he was officiating and after his dismissal, the Government consider that the mostequitable and fair arrangement would be to grant a firka to each of the parties without depriving the deceased's family wholly of the hak, and accordingly order the confirmation of the respondent as the registered baravarddar of the Mandakall firka and the appointment of the appellant as shanbhog of the Kuppalur firka.
